# SESSION TYPES

## PERSONALITY BLUEPRINTS

*PDF File*

A detailed blueprint specific for your personal design, this gives you a great foundation to begin working from. I have both FREE reports and in-depth complex reports.

*Reports Range From FREE to $107*

## ELV SESSION

*Remote, Notes From What I Find & Release Are Emailed*

If you are familiar with the "Body Code," this is a similar session that goes deeper into your subconscious & body systems. I will connect to you intuitively, creating the ability for your body to release/balance.

## SYNCHRONICITY SESSION

*Remote*

Energy alignment to enable you to feel more at peace while releasing the resistance that stops things from "happening for you." This session can dramatically influence what you have going on if it is for your highest good. I call this my "miracle creator."

## PRIVATE COACHING CALL

*Done By Phone Call/Screen Share*

Using all my methodologies, we create a personal action plan, working on issues in the moment and clearing your negative conditioned layering.
